Zebra OneCare Essential Depot Comprehensive Service

Services that maximize the availability and productivity of your Zebra printers

Every day, your Zebra printers help you streamline your business processes to improve overall operational efficiency and accuracy, drive down the cost of doing business and increase workforce productivity. Availability of your printers is key to the success of your business and the return on your Zebra printer investment. Now, with Zebra OneCare services, you can ensure that your Zebra Mobile, Tabletop, Desktop, Card and Kiosk printers achieve maximum uptime and peak performance. You get unmatched support, right from the manufacturer — from experts that offer unparalleled product knowledge. With Zebra OneCare Essential Depot Service — you'll find a Zebra OneCare offering that will meet your service requirements and your budget. And with global coverage, we're ready to meet your support needs, no matter where in the world your business is located.

Essential service offers software updates and upgrades, hardware support, technical support and repair turnaround times to meet your business needs. Essential support services can be purchased within 30 days of your equipment purchase.

If it's broken, we fix it.

Our Zebra OneCare services are truly comprehensive. Worn out printheads? Damaged platen rollers? Broken display? Our plans cover it all, including normal wear and tear and accidental damage. While Zebra's hardware Warranty covers defects in workmanship and materials, with Zebra OneCare for Printers, if it's broken, we'll fix it. And when you need to return a device, we make it fast and easy — return requests can be initiated online, anytime of the day or night.

Get unparalleled from-the-manufacturer expertise.

Our experienced technical support experts can help you with virtually any issue on any Zebra printer, providing swift resolution of issues to minimize the impact on your business. And our experts speak your language — with 16 available languages, we're ready to support associates in just about every corner of the world.
